Melamine

Welcome

Make it memorable with Melamine.

Steelite International has further developed its Selected for You offer to bring you this exciting range of premium melamine displayware and dinnerware. Responding to growing demand in the hospitality and retail markets for innovative display solutions, Steelite International has partnered with Elite Global Solutions to provide an exclusive collection of outstanding melamine pieces.

Based in Southern California, USA, Elite Global Solutions has many years experience in merchandising strategies for food service operators and retailers across the globe. They are recognised as a world-class, international manufacturer of premium, heavyweight melamine. Their expertise has been integral to the design and development of this collection, resulting in a huge number of exciting display options to suit a wide variety of dining and retailing outlets. Elite Global Solutions also provide bespoke product solutions, creating items which truly satisfy any food service requirement.

All our melamine dinnerware products are NSF & SGS approved chip and stain resistant, dishwasher safe and made to handle both hot and cold food. The displayware is used by many of the world's forward-thinking hotels, restaurants, food service operators, supermarkets and caterers to enhance their offer and the customer experience. The dinnerware gives added flexibility to operators working within challenging service environments and the exciting Zen range is introduced to provide an authentic Asian feel to dining.

Explore the options that these products offer and make it memorable with melamine.

Features and Benefits

Heavyweight

- Melamine from Elite Global Solutions is typically 20% heavier than standard melamine, producing a stronger, more durable and more aesthetic product.
- Break & Chip resistant.
- Handle with care and deliver a stunning presentation, time and time again.

Commercial dishwasher safe

- A great advantage in a busy service environment.

NSF & SGS certified products

- Elite Global Solutions are an NSF approved supplier
- All our product complies with the SGS testing regime

Handles hot and cold food

- A versatile product, great for flexibility in whichever environment you work.

Care Handling Instructions

Plastic cleaners are the best

- To keep your melamine products looking great use only non-abrasive plastic pads or plastic-type bristles.

Don't bleach it

- Elite Global Solutions products are dishwasher safe, however it is important to avoid the use of chlorine or chlorine-based detergents or bleach.
- It is recommended that the Rubber Pedestals are hand washed.

Pre-soak

- If necessary pre-soak your melamine products in a high-quality pre-soak dishwashing detergent.

Perfect for ambient foods

- Heating through oven or microwave use is not recommended for your melamine products.
- They can however withstand temperatures up to 100°C.

Buffet is changing, it is exciting and new. New concepts like buffet fresh are changing the demand on buffetware suppliers, quick change-overs and smaller, fresher product means a shift towards manageable display solutions. From the classic shapes and sizes of the Belize range, to the stunning effect possible with Rocky Mountain High, melamine is a perfect solution to the demands of a buffet operation.

Innovative surface effects as seen on Crinkled Paper provide a different and exciting presentation style, whilst the stylish shapes of Moderne help deliver an elevated experience.

COUNTER SERVE

The extensive range of counter serve solutions provide a portable, effective means of food merchandising. Classic shapes such as the Flat Trays and the height options within the stylish risers provide merchandising opportunities to enhance any counter serve operation.

The delicate colours of the Tuscany range combined with its practical shapes and sizes make it a must have, whilst the actual Must Haves ramekins are essential ingredients to any self-serve retail or service outlet.

The dinnerware ranges are perfect solutions to challenging service environments such as leisure and poolside, hospitals, and schools. The earth tone colours and visual richness of the Pebble Creek range of bowls and plates make an attractive tabletop solution, with the added benefit of service flexibility and durability.

Zen is a hugely extensive range perfectly suited to an Asian food service offer. The attractive matte finish produces a product with huge tactile and visual appeal. The standard service items are beautifully complemented by interesting accessory pieces such as the towel plate, soup spoons and compartment trays.
